Richard Swim

Traveled 17,314 miles on the moto starting August 23, 2018 and ending August 13, 2019 visiting 69 unique National Park Units in 26 different states collecting 158 stamps (dated and other).

Stamps collected while on the moto have an ID# preceded with a "M".

This presentation is available on <http://NTMoto.net>

And.... I got wrapped up in the National Park Travelers Club...
